Dear Parents,

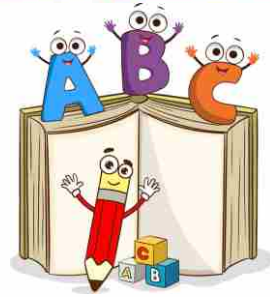

Holidays are always a welcome break from normal routine and we all look forward to them. They give us an opportunity to pursue all those activities that we enjoy but never find enough time to indulge in. When done appropriately homework can reinforce what has been taught, contribute towards the development of children and cultivate a healthy disposition towards learning. Make your child independent by teaching him/her various activities like -

- ❖ *Buttoning and unbuttoning the shirt.*
- ❖ *Helping in laying the table with the mother.*
- ❖ *Folding mats and clothes with you.*
- ❖ *Arranging their toy shelf.*
- ❖ *Learning to wear shoes, socks and to zip their school bag.*
- ❖ *Wishing and welcoming guests.*
- ❖ *Opening and closing the bottle cap/tiffin lids.*
- ❖ *Sorting and pairing household items.*
- ❖ *Encouraging the child to converse freely with parents and siblings in English and to speak magic words like 'Thank you', 'Please', 'Excuse me' and 'Sorry'.*
